

Adopt a Summer Staff Member

Prior to Camp

- Email Nichol (nellis@campkorey.org) to sign up and ask any questions
- Choose a member of our [summer camp staff](#) (you can also sign up to send general group care packages for the whole team and for our weekly volunteers)
- Get to know them on their bio sheet
- Write a welcome note or letter and share a bit about yourself and your family and why you wanted to adopt a staff this summer

Throughout the Summer

- Send at least one care package to your designated person
- Write letters and send encouragement
- Get to know your staff and find out what they need/are missing

Care Package Ideas

- Snack Pack- Filled with their favorite snacks
- Activities and games package
- Crazy costumes, wigs, socks, and bandanas
- A care package with daily packages or items to open throughout the week. A Monday package, Tuesday package, etc.
- Toiletries and essentials- there is nothing worse than running out of deodorant!
- Fanny Pack of Fun- Chap Stick, sunblock, itch cream, bug spray, etc. inside a fanny pack!
- There is no place like home- if they are from another state, find out some specialty items from that state and area and do a care package to remind them of home.
- Coffee and caffeine care package! Something to get them through the week.

Other fun ideas

- Get them a journal or notebook and write encouraging words, quotes, or inspirations on random pages throughout.
- A portable camp chair is always a hit
- Send them virtual mail and encouragement through the program manager!
- Massage or mani/pedi
- Gift card to a local restaurant for their time off

Did you know...

- You can mail really wacky stuff without a box? Like flip flops, a beach ball, a coconut...check it out and send something really silly!
- No matter what you send, the camp staff will LOVE it! There is nothing better than thoughtful encouragement and love! Have fun with it! 😊
