

Camp Korey Community Stories

Thank you for being part of our story for the last 15 years! Camp Korey is more than just a camp, we are a community and we wholeheartedly thank you for being part of our anniversary celebration and sharing how Camp Korey has impacted your life.

Please take a moment to answer any and/or all of the questions on the next page. We will create various storyboards using your cherished moments that highlight your takeaways from Camp as a camper, family member, volunteer, donor, or staff member.

Thank you again for your gift...your gift of time, support and compassion.

Your Camp Korey Team

Share in the way that works for you!

- Written narrative (Camp Korey staff will work with you on editing for final version)
- Simple video of you talking about your camp memories (Camp Korey staff can support with light editing to add photos and/or text overlay)
- Pictures you have from camp activities in the past 15 years (we'd love to get your captions, too!)
- Conversational interview (set up a time to speak with Camp Korey staff over the phone or in person; we will transcribe your story)
- Get creative! Want to share a poem, artwork you've made, recreate a camp skit with family or friends and film it, or something else?

Questions to guide you are on the next page.

Let us know you want to participate, and we look forward to working with you to share your story! Remember, it's *your* story from Camp Korey's 15 Years of Fun, and we are very grateful for any way you choose to share it!
