

## **\$20,000 grant will support Camp Corey's 2021 Summer Camp Programming**

Camp Corey has received a generous grant from Niagara Cares to support our 2021 Summer Camp programs.

"We are grateful to Niagara Cares for their ongoing commitment to our campers and their families," said Jay Henningsen, Executive Director. "Niagara's funding ensures even more campers will experience camp fun and connection through programs that take place virtually, in health care settings, and in person as guidelines allow."

In a year of flux, Camp Corey is adapting to the needs of our children with serious illnesses, wherever they are in their journey. Our aim is to alleviate the isolation many children are feeling during the pandemic by helping them laugh, experience joy, and connect to others. Summer Camp programs are designed to give children with life-altering medical conditions the freedom and fun of childhood through camp activities and adventure. The gift of a child's laugh as they discover their self-independence through a supportive camp experience is exactly why Niagara Cares.

**About Niagara Cares:** Niagara Cares, the philanthropic arm of Niagara Bottling, is committed to supporting local and national community initiatives by engaging stakeholders and investing its resources for disadvantaged children and their families. Niagara Cares initiatives include national strategic partnerships, local community grants, employee engagement and volunteerism and the Andrew D. Peykoff, Sr. Scholarship Program.
