- Pediatric nursing experience (preferred)
- Must be physically independent to perform duties of the volunteer position without routine assistance

Responsibilities:

- Work alongside Camp Korey program staff to help create growth-producing experiences for your designated family.
- Encourage campers to try new things and assist where needed.
- Work with Camp Korey staff to help facilitate family time and tend to camper's needs while participating in camp activities.
- Actively participate in camp activities and role model positive behavior for campers.
- As a medical professional, you will be tasked with ensuring CDC guidelines, and safety protocols for our participants, staff, and volunteers.
- Provide emergency medical care as needed.
- Assist with medical check in on arrival day and any additional administrative needs of the medical team.

Camp Korey is doing its part to slow the spread of COVID-19 and remains committed to the health and safety of our employees. The work associated with this position may be performed remotely, either full-time or part-time, in compliance with the Governor's Safe Start guidance. Employees reporting to work on-site need to follow safety precautions and procedures as required by the county. We will continue to seek guidance from local public health agencies and will proceed accordingly with any necessary changes about "workplace location" expectations.
