

## VOLUNTEERS ERIKA & ANSAB

**STARTED VOLUNTEERING:** 2009

**CAMP KOREY IMPACT:** We were both first time counselors and bonded over the strength and resilience we saw in our campers. We grew up and grew together at Camp Korey, and are now married with two children.

**FAVORITE PART OF CAMP:** These kids have such a special gift that they are able to share with us and being able to share that experience each other is one of our favorite parts of Camp! We still send warm fuzzy notes to each other.
