

VOLUNTEER EVAN

STARTED VOLUNTEERING: 2015

CAMP KOREY IMPACT: I learned to “Rip up your cool card!” Do silly things, smile your brightest, and do not be afraid to fail.

FAVORITE PART OF CAMP: The opportunity to be present. At Camp, you can checkout and be in the moment. I am constantly humbled by the strength of the campers. So many of the things you take for granted are things that campers struggle through day to day. I am so grateful to be able to learn from each camper.
